Practice facilities include a putting and chipping green as well as a full sized driving range. The club house includes a full service pro shop and restaurant.

Tournament Services Available

Many events choose to have proximity hole prizes during their tournament (long drive, closest to the pin, etc). We can provide these proximity markers free of charge. We will put them out before your tournament and pick them up after your tournament. If you are planning on using this service we request that you provide us with a list 48 hours prior to your event.

The professional staff can do the scoring and personalize our rental carts for your event for a charge of \$1.00 per player. If you select this service we require that you provide us with the format (Texas scramble, best ball, etc) at least 1 week before the event.

If you are in need of prizes for your tournament we have a fully stocked pro shop that will offer you many prize ideas. Gift certificates are the easiest way to satisfy all your participants and help cut down on the amount of presentation time required for the tournament committee. These may be purchased in the pro shop, all gift certificates will be valid for 1 year.

We have rental equipment available to all golfers who require it. We ask that you get a list of all players who need rental equipment and fax or email to me at least 1 week prior to your event.

If your group is interested in a pre tournament group clinic, our CPGA Professionals can be booked to instruct up to 30 golfers at one time. See information below.

If you require a tournament meal for your event please call the restaurant @ 562-2003 ask for Susan or Brandie.
